Ohlone Kids' Club | 950 Amarillo Ave. Palo Alto, 94303

Inspire – Create – Collaborate! Light up the sky like a flame!

F.A.M.E. Camp is a child-directed exploration of the arts. Each day gives the children a chance to build their self-confidence and self-reliance while having FUN! The program introduces children to a wide spectrum of the arts – Visual Art, Drama, Film, Fashion, Theater, & Music! Our goal is for the children to experience different genres of the arts. Each weekly session has a unique theme!

Each day the children will have the opportunity to engage in ART STUDIO where the focus will be on learning a bit about a particular artist, then creating an original work of art inspired by that artist's style. In the afternoons children move to STAGE-TIME where they will work collaboratively in small groups on their performance for our weekly SHOWCASE. This is a child-led performing activity. The staff will assist in providing needed materials and support. Performances can include skits, dance routines, short films, or anything the kids dream up! On Thursdays or Fridays, depending on field trips, we will have a SHOWCASE where children put on a production and showcase what they have been working on that week.

The SHOWCASE is an art gallery of their visual artwork and a live theater performance of their STAGE-TIME work. Parents are invited to attend all SHOWCASE performances. We will provide further details about actual dates and times of the performances. When we are not busy with ART STUDIO and STAGE-TIME, we will be including daily outdoor group games, yoga, scavenger hunts, and "Just Dance." During our down time we will have an opportunity to view short, educational media that relates to our weekly theme.
