If your child is absent from the program without notification, the staff must follow the "missing child" procedure (as outlined in the parent handbook), which takes the staff away from the duties with the other children at the center. Therefore, this "Non-Notification of Absence" policy will be followed:</p> <ol style="list-style-type: none"> 1) Written warning after the first "non-notification" of your child's absence; 2) \$25 fee assessed for each "non-notification" thereafter.

2019-2020 School-Age Fee Schedule Addendum

Services Offered on Holidays

At the school-age level monthly fees are prorated over the school year. **Only full-time slots (those contracted until 6:00 p.m.) have the holidays included in the monthly fees.**

If part-time kinders, or children who are not regularly scheduled on a school holiday, need care on that day, parents must first check with the center director to verify space availability, which is filled on a first-come, first-served basis. **Parents must sign up for full-day care**, and will be asked to complete an Extra Hours form, which will serve as an invoice. Payment is due to the PACCC office within ten (10) days of extra care received. Daily costs are as follows:

Part-Time Kinder on a Regularly Scheduled Day \$65

A Child not Regularly Scheduled on a Holiday \$100

Parents may arrange with their center director to pick up their child prior to 6:00 p.m. (as long as the program is not on a field trip), but will be expected to pay the full amount.

Restriction on Contracting for Wednesdays

Wednesday is a minimum-day schedule at all elementary schools, with kindergarteners through fifth-graders arriving at Kids' Club between 12 noon and 1:00 p.m.

Parents of part-time kinders who need care on Wednesdays must contract for a full day on Wednesdays at the full-day kinder rate.
