# **Supporting Your Child's Dental Health**

**WEBINAR - Hosted by PACCC  
& Ravenswood Family Health Network**

PACCC is proud to partner with Ravenswood Family Health Network as co-host of the “Supporting Your Child’s Dental Health” webinar, led by Ushma Patel, RDHAP. Attendees can expect to learn more about:

- Oral health is directly connected to your overall health and wellbeing
- Importance of brushing, flossing, and healthy eating for strong smiles
- Age-appropriate oral hygiene tips for children and families
- Encourages good dental habits early to prevent cavities and tooth decay
- Promotes positive, stress-free dental experiences for kids

**Tuesday, March 3rd  
5:00pm**
